Testing Details:

➢ Students who do not meet the test-optional admission criteria can be admitted based on meeting standardized test scores in English, reading, and mathematics.

➢ You can submit ACT, SAT, or ACCUPLACER scores for review, if desired.

➢ Students admitted *without* test scores will be required to complete English and math placement tests prior to course scheduling, which may impact the students' course eligibility. (For example, you might be admitted without restrictions yet not be able to test into college-level English or math during placement testing. Remedial level courses are not covered by CCP funding.)

➢ Placement testing is completed *after* admission, during orientation, using an Ohio State placement test, not the ACCUPLACER test.

➢ Details about ACCUPLACER testing:

- If you plan to include ACCUPLACER test scores in your application, you must first apply for CCP admission and submit your high school transcripts to Ohio State before ACCCUPLACER testing can be approved.

- Once you are approved for testing (if it is necessary in your application):

  ◊ Contact the Ohio State ATI testing center at (330) 287-1258 if you have taken no standardized tests previously, OR

  ◊ Contact the OSU Mansfield testing center at (419) 755-4133 (or online at go.osu.edu/mansccp) if you have already taken an ACT, SAT, or ACCUPLACER test.

  ◊ Reminder: your CCP application and transcripts must be received by Ohio State *before* ACCUPLACER testing can be authorized.

➢ We cannot accept ACCUPLACER test results from any institution other than The Ohio State University.

➢ Ohio State does not use the ACCUPLACER test for course placement.

Class Scheduling:

➢ Admission does not guarantee enrollment in a specific course.

➢ Advising and class selection occur at Orientation during July (or mid-December for Spring Semester).

➢ Limited online courses are available at Ohio State ATI; some online courses are offered synchronously with in-person classes.

➢ Currently no summer course options are available for ATI Academy students.

➢ Academy courses establish your Ohio State transcript; your GPA will follow you.

➢ Credit hours taken through the Academy do not count in the hours needed to transition to the Columbus campus of Ohio State if you later apply for freshman admission to the Columbus campus and are deferred to a regional campus or ATI.
