1st September 2014

Paid Undergrad Research Opportunity Electro Science Lab, 1320 Kinnear Road, Columbus, Ohio, Jim Moncrief, moncrief.7@osu.edu 614-292-3509
Mr. Jim Moncrief is looking for a 2nd, 3rd, or 4th year student available Monday, Wednesday and Friday to assist (paid, academic credit, or work-study possible) in the field of...
electromagnetics and antenna research while obtaining valuable hands-on experience. Actual job description includes everything from high-tech computer controlled electromagnetic testing to common sense cleaning of work areas when done. You will be challenged and doing something different at least every week. Applicant must be a highly motivated person willing to learn and work in a graduate-level research environment; must be a self-starter, able to learn and work with minimum supervision. Prefer student with hands-on experience with electronic test equipment, software, and even shop tools but mostly looking for willingness to work and learn.

Skills needed:
- Basic knowledge of electricity required
- Soldering skills a plus (will teach if necessary)
- Familiar with Test Eq such as OScopes, FreqGen’s, etc., a plus (will train)
- Familiar with Eq such as Network Analyzers, SpecAnalyzers, a plus (will train)

Qualified students should email Mr. Moncrief at Moncrief.7@osu.edu by Friday, September 5, and provide citizenship, resume, and list of references.

District Program Administrator (DPA) position Licking County Soil & Water Conservation District. www.lickingswcd.com
The Licking County SWCD is accepting applications for the District Program Administrator (DPA) position. This leadership role will provide guidance and leadership to staff, community, partners and Board of Supervisors toward meeting the Soil & Water District goals. The Program Administrator will implement policies and strategies approved by Board of Supervisors and challenge the organization to fulfill its goals of Conserving Licking County’s natural resources through education, technical assistance and leadership within Licking County. Broad areas of responsibility include planning and evaluation, policy implementation, personnel and financial leadership, and public relations.

Application Procedure:
- Submit completed application to the SWCD office, 771 East Main Street, Suite 100, Newark, OH 43055.
- Applications can be obtained in person at District office between the hours of 8:00 am-4:00 pm daily or downloaded at www.lickingswcd.com
- Submit a writing sample, essay or press release format, a minimum of 200 words describing “Importance of Sustaining Natural Resources in Licking County”
- Application Deadline – must be received by mail or in person at the District office by 4:00 pm, Friday, September 5, 2014.
Candidates will be considered without regard to race, color, religion, national origin, sex, political affiliation, age marital status, or other factors.

Office Assistant/Natural Resource Specialist Noble SWCD, Caldwell, Ohio, Laura at laura@nobleswcd.org, 740-732-4318 Or stop by the office at 18506 Woodsfield Road, Caldwell to pick up application and job description. Position is full time with benefits. Minimum of a 2-year associate degree or equivalent in work experience with natural resources. Salary commensurate with experience.
