Fees Explanation

**Instructional Fee:**
The Instructional Fee is used to fund instructional costs at the university. Students who are registered for classes at more than one campus of The Ohio State University during any single term will have their fees assessed based on the campus carrying the majority of their instructional credit hours. For more information, please go to the [Guidelines for Multi-Campus Students](http://registrar.osu.edu/policies/feesexplanation.asp) page.

**General Fee:**
The General Fee is mandated by the State of Ohio for the funding of non-instructional student services. At The Ohio State University, general fees provide those student services whose primary purpose is to contribute to the students' emotional and physical well being, as well as their cultural and social development outside the context of the formal instructional program. Included in this category are: Counseling and Consultation Services, Student Health Services, Recreational and Intramural Sports, the Student Unions, Disability Services and the Multicultural Center.

**Surcharge Fee on Overload Enrollments:**
Starting autumn semester 2012, students enrolled in more than 18 credit hours will be billed for credits beyond 18, in addition to billing for full-time enrollment (12-18 credits, for undergraduate students). The "Over 18 Hours" rate is the same as the per credit hour rate up to 12 hours, and applies only to instructional, general and non-resident fees.

STUDENT HEALTH INSURANCE
Health insurance is a requirement for:

- Domestic students enrolled at least half time and in a degree program
- All international students

*International students must also have Ohio State’s Student Health Insurance Benefits Plan*
Each academic year, when they register for classes in their first term, students are automatically enrolled in the Student Health Insurance Benefits Plan (“SHI Benefits Plan”) and billed the fee.
Research and discuss:

Will campus area care be covered by your insurance plan?

• Does your health insurance have networks that include or exclude Columbus or Ohio?

Call your plan and ask!

Wilce Student Health Center (Tax ID 31-1657245) is in network for several plans: visit shs.osu.edu > Insurance/fees

VIEW STUDENT PERMISSION
Students or Parent PLUS loan recipients can rescind their permission – SSC, OUB and SFA staff should be able to update the permission form. Revocations should be in writing (email).

Permission changes ideally must be made before Title IV aid disburses to ensure intention. Title IV aid payments will follow whatever permission status is in effect at that point in time, and will not automatically reapply if permission changes happen after aid has disbursed.

Students who do not give permission could potentially have excess Title IV credit balances/refunds, and still owe a balance due for non-institutional charges, and therefore could be dropped for nonpayment.
