CFAES WOOSTER

NEW STUDENT ORIENTATION AND ENROLLMENT HANDBOOK

THE OHIO STATE UNIVERSITY
COLLEGE OF FOOD, AGRICULTURAL, AND ENVIRONMENTAL SCIENCES

WOOSTER

2023-2024

Congratulations on becoming a

BUCKEYE!

Welcome to The Ohio State University College of Food, Agricultural, and Environmental Sciences (CFAES) Wooster campus!

In this booklet, you will find important information about how to prepare for your orientation day. For example, you have some important steps to complete before your orientation (see Page 3). Most importantly, you must take your math placement test ten business days before your orientation date. You might also need to complete an English placement test, which also needs to be taken ten business days before your orientation date.

We want to help you understand what is going on during orientation so that you can make the most of your day. On the day of orientation, you will learn about academic and co-curricular programming, meet with other new students, and learn how you will register for autumn 2023 courses.

If you need to change your orientation date or other information, please call us at 330-287-1303.

We encourage you to share this handbook with your parents, guardians, or others who are supporting you as you begin your college journey.

We are eager to answer your questions and look forward to seeing you for a fun and informative day.

Go Bucks!

Kristina Boone, Assistant Dean and Director

Getting Started

This handbook is your guide to orientation. Follow each step to complete your enrollment and prepare yourself for the event.

Orientation is designed to get new Buckeyes off to a strong start. At orientation, you will:

- learn what is expected of you, both in and out of the classroom, as a student of The Ohio State University.
- meet other incoming Ohio State students.
- complete university business and learn about financial aid, housing, and how to get your BuckID.

Orientation is mandatory. Students are expected—and family members are strongly encouraged—to participate in all orientation activities.

YOUR ENROLLMENT INFORMATION

The information you need to complete this page can be found on Buckeye Link.

Name:

Ohio State ID#:

Ohio State Username (name.#):

(This will also be part of your student email address.)

Ohio State Password:

(Please note that you will be required to change your password every 180 days. We recommend that you check to see whether your password is active prior to attending orientation.)

Orientation Date:

Required Placement Test(s):

(These must be completed ten days prior to your scheduled orientation date.)

Major:

(If you would like to change your major, please contact Jill Gallion at **gallion.9@osu.edu** or 330-287-1303.)

Faculty Advisor:

(PRIOR TO ATTENDING)

Orientation Checklist

Prior to orientation, you will need to:

- [ ] **complete your housing contract.** All 2023 high school graduates are required to live on campus unless qualified for an exemption.
- [ ] **complete your math placement test—and your English placement test,** if required, at least ten business days prior to your scheduled orientation.
- [ ] **report your Covid-19 vaccination information and upload documentation or request an exemption before scheduling classes.** Visit safeandhealthyosu.edu/admitted-students for details and instructions.
- [ ] **complete your medical history and immunization record before beginning classes.** Visit Student Health Services at shs.osu.edu for further information.
- [ ] **research potential placement, CLEP, AP, and IB tests to determine whether you need to take any of them before enrollment.** Have your scores sent to The Ohio State University Testing Center: 585 Student Academic Services Building, 281 W. Lane Ave., Columbus, OH 43210.
- [ ] **request that your final, official academic transcripts from high school and any college-level work be mailed, as soon as possible after graduation** so that it is received at least 15 business days prior to your scheduled orientation, to the Office of Undergraduate Admissions: P.O. Box 182646, Columbus, OH 43218-2646. Your financial aid will be held until your final transcripts are received. Your enrollment for the spring semester will also be held until final transcripts are received.
- [ ] **request that your College Credit Plus transcripts from the college/university from which you received credit be mailed** to the Office of Undergraduate Admissions: P.O. Box 182646, Columbus, OH 43218-2646. These transcripts must be mailed directly from the college/university from which you received credit; classes listed on your high school transcripts will not be accepted.

(DAY OF)

Orientation Checklist

On the day of orientation, you will want to bring with you:

- [ ] **your Ohio State username (name.#), password, and Duo device.**
- [ ] **any required financial aid verification items** (if applicable).
- [ ] **questions** you may want to ask of current Buckeyes, faculty, or staff.

Orientation Schedule

Orientation is a one-day program held at the Wooster Campus Conference Center
1680 Madison Ave, Wooster, OH 44691

June 7, 8, 9 | July 6, 7 | August 4

9:00-9:30 a.m.	Kick-off	Student Ambassadors
9:30-10:20 a.m.	Welcome	Dr. Kristina Boone, Assistant Dean and Director Dr. Carri Gerber, Assistant Director David Dietrich, Director of Recruitment and Admission
	Inspiring Academic Success	Dr. Carri Gerber, Assistant Director
	Principles of Community	Kelly Kyser, Manager of Student Life Student Leadership, Engagement, and Activities
10:20-10:30 a.m.	Break	
10:30-10:50 a.m.	Campus Awareness	Sergeant Chad Stanton, Campus Police

12:15-2:00 p.m.	Complete Your Checklist and Afternoon Resources	Academic Success Team Advisor Meeting Sign-Up Bookstore Buck ID Disability Services Financial Aid & Business Office Counseling and Consultation Services Program Excel Student Life - Student Leadership, Engagement, and Activities Transfer Credit Questions University Housing Residence Life Using Ohio State Technology

Session Descriptions

Academic Success Team: Penny Nemitz, Cate Hunko, and Denise Rotavera-Krain are available to answer questions about classes and their delivery method, tutoring, time management, schedling, career counseling, and transitioning to Columbus! If they can't answer your question, they know someone who can help.

Advisor Meeting Sign-up: Schedule an appointment with an academic advisor to register for your autumn classes.

Bookstore: We are here to get you started on the right foot with textbook options, supplies, apparel and more!

Buckeye to Buckeye: Hear from Orientation Ambassadors during this session. These student leaders share what the student experience looks like at Ohio State ATI. They also discuss important resources and answer your questions about being a new Buckeye.

Buck ID: BuckID is your official Ohio State University ID and much more! Stop by to have it made before you leave! Make sure you have your driver's license or state ID with you.

Disability Services: From orientation to commencement we work with the campus community to create accessible learning environments. Students and family members can meet with Ruth Montz, Manager of Disability Services to learn more about accommodations.

Financial Aid & Business Office: Parents and students can meet with Liz Helterbrand, coordinator of financial aid, to review how to navigate financial aid information, and Cindy Shelly, fiscal officer, to go over how to pay their university bill, waive student health insurance, and/or complete a student information release.

PRINCIPLES OF COMMUNITY

WE AFFIRM the inherent dignity and value of every person and strive to maintain a climate for work and learning based on mutual respect and understanding.
WE AFFIRM the right of each person to express thoughts and opinions freely. We encourage open expression within a climate of civility, sensitivity, and mutual respect.
WE AFFIRM the value of human diversity because it enriches our lives and the university. We acknowledge and respect our differences while affirming our common humanity.
WE REJECT all forms of prejudice and discrimination, including those based on age, color, disability, gender, gender identity, gender expression, national origin, political affiliation, race, religion, sexual orientation, and veteran status. We take individual and collective responsibility for helping to eliminate bias and discrimination and for increasing our own understanding of these issues through education, training, and interaction with others.
WE PLEDGE our collective commitment to these principles in the spirit of the CFAES mission: We sustain life.

Counseling & Consultation Services: Ohio State ATI provides cost free support for the spectrum of personal, emotional, and psychological challenges experienced by Ohio State ATI students. Find out about the resources available through Counseling Services.

Program Excel: Program Excel is an academic student assistance program, funded through a U.S. Department of Education, Title 4 Trio grant. Meet the staff and learn about whether you may be eligible for their services – such as professional academic mentoring, career counseling and more.

Student Life-Student Leadership, Engagement, and Activities: Dedicated to creating the student experience for every Ohio State Buckeye, learn how we support students on their paths to success by helping them live healthy, fulfilling lives throughout their time at Ohio State, inside and outside the classroom.

Transfer Credit Questions: Ask about credit evaluations, find out where to send transcripts, and ask additional questions you have about credits transferring with you.

University Housing Residence Life: Laila Alharbi, housing coordinator, is available to answer questions regarding the housing contract, services, programs, and facilities of ATI's Residence Life program. Find out more about policies, tips about what to buy and what to leave at home, and so much more!

Using Ohio State Technology: Learn about the applications, networks, and technology that students will encounter during their time on campus. Find out how to access Ohio State systems for the first time, changing passwords, wireless and wired networks, etc. You can also ask about computer safety and Help Desk services.

On behalf of all CFAES Wooster faculty, staff, and Orientation Ambassadors, we are excited to have you as our newest Buckeye! Let us know if you have any questions.

Placement Tests

If you are unsure about which placement test(s) you need, please refer to the To Do List on your My Buckeye Link (note that you may need to click More► to view your entire To Do List) **or email questions to atiorientation@osu.edu.**

Math and English placement tests must be completed at least ten business days prior to your scheduled orientation. If your placement test(s) aren't completed within this timeframe, you will be asked to reschedule your orientation date.

About Placement Testing

Placement testing in English and math helps determine the appropriate first course for you to take at Ohio State. Your ACT or SAT scores, Advanced Placement credit, and any college-level coursework including College Credit Plus (CCP) courses will determine your placement testing requirements.

Just as a reminder, ACT or SAT scores, AP test results, and transcripts of college-level coursework must be received 15 business days prior to your orientation. You must arrange to have the official scores and official transcripts sent to the following address:

The Ohio State University
Office of Undergraduate Admissions
P.O. Box 182646
Columbus, OH 43218-2646

The math and English placement exams are only available online. The math placement exam is limited to 75 minutes. The English exam is limited to 100 minutes. If you qualify for accommodations and in-person assistance to complete either of the exams, please contact the Office for Disability Services at 330-287-1247 to schedule an appointment.

Advanced Placement (AP) Tests

If you took AP tests and you come to orientation before the AP scores are available, you will schedule courses based on your placement results. Once AP results become available, we can adjust your schedule accordingly.

If you have not had your official AP scores sent to Ohio State's Testing Center, please bring a copy of your scores to orientation and contact the Advanced Placement Program at 888-225-5427 to have an official copy sent to The Ohio State University Testing Center: 585 Student Academic Services Building, 281 W. Lane Ave., Columbus, OH 43210.

2023 Orientation Deadlines			
	Transcripts	**English placement**	**Math placement**
June 7	May 17	May 24	May 24
June 8	May 18	May 25	May 25
June 9	May 19	May 26	May 26
July 6	June 15	June 22	June 22
July 7	June 16	June 23	June 23
August 4	July 14	July 21	July 21

Math Placement Test

All entering students are required to take the math placement test unless one of the following is true:

- You are a student who has received an AP Calculus test score prior to your orientation session, and you received a 3, 4, or 5 on the AB or BC exam. Official results must be sent to Ohio State.
- You are a student who has received IB scores prior to your orientation session, and you received a 4 or higher on the exam. Official results must be sent to Ohio State.
- You are a transfer student who has received transfer credit for a specific Ohio State math course (for example, the class shows as Math 1148 on your transfer credit report).

To take the test, follow the instructions below:

1. Go to **https://buckeyelink3.osu.edu/secure/math**. Log in using your Ohio State username (name.#) and password.
2. Thoroughly read the math placement test instructions, specifically noting the following:
   - You may use scratch paper, pencil, and a scientific or graphing calculator. Calculators with computer symbolic algebra or a QWERTY keyboard are not permitted.
   - The test has a time limit of 75 minutes. The time remaining will be updated after you answer each question. Please note that time continues to run even if you close the browser window, log off of your computer, or if you experience computer problems.
   - The test is entirely multiple choice, with only one correct answer per question.

At your scheduling appointment, your faculty advisor will use this placement information to help you register for the appropriate math course. If your test results are a "U" (undetermined), you will need to re-test online. We request that the student wait 24 hours before logging in again to retest. If you have a question about retesting, contact Dr. Carri Gerber at 330-287-1211 or atiacademicaffairs@osu.edu.

English Placement Test

Incoming students are required to take the English placement test if they have an ACT English score of 18 or below, or an SAT score of 480 or below. Students 21 and older are not required to take the English placement test; however, they are encouraged to take the test to determine the most appropriate class for their skill level.

If you are required to take the English placement test, it will appear on your To Do List on My Buckeye Link.

We highly recommend that you complete the test on a desktop or laptop. Please do not use your phone.

To take the test, follow the instructions below:

1. **Log in with your Ohio State username (name.#) and password at carmen.osu.edu.**
2. **Select "CFAES Wooster Ohio State ATI English Placement Exam - Autumn 2023" from "My Courses."** If you do not see the course listed, be sure that "Other" is checked in the "Filter" box.
3. **Complete the test as instructed.**

For more information or if you have questions regarding placement, contact the English Area Coordinator, Dr. Ploskonka ploskonka.3@osu.edu.

Disability Services

In college, you may qualify for additional services, called accommodations (such as extended timing for tests, priority scheduling, etc.), but it is your responsibility to contact Disability Services. If you had an IEP/504 plan or have a learning disability, ADD/ADHD, a mental health condition, a mobility impairment, a medical or other condition, you may be eligible to receive accommodations. Contact Ruth Montz in Disability Services at 330-287-1247 or **montz.11@osu.edu**. You will be asked to provide documentation of your disability. Registering with Disability Services is not a one-day process, so you should contact Ruth Montz at least a few weeks before your orientation.

College Courses

If you want to receive transfer credit for college classes you've taken, including CCP, request that your final, official transcripts be mailed directly to Ohio State from the college where you completed your coursework, 15 business days prior to orientation. Courses listed on your high school transcripts will not be accepted and may cause a delay in evaluating your credit. Transcripts can be mailed to the Office of Undergraduate Admissions: P.O. Box 182646, Columbus, OH 43218-2646.

Financing Your Education

Your college education will be one of the most important investments you will ever make. It is important to consider all types of financial aid: scholarships, institutional grants, federal grants and loans, private loans, work-study, and Parent PLUS loans. Other financial assistance may be from family income or your savings.

It is important to track your finances and budget accordingly. First, determine what money you have coming in, i.e., your income. Second, figure out your direct and indirect expenses, and third, determine your plan to save and pay for your expenses based on your financial aid award.

Check your current Ohio State ATI financial aid status at buckeyelink.osu.edu. Once you log in, click on "View Financial Aid," then "2024 Aid Year." Here, you can view the following tabs.

- **"To-Do List":** This includes any required verification items. If the status of any item is currently "incomplete", please complete and submit via one of the options on the bottom of the verification forms for timely processing. Financial aid will not disburse if items are not completed. Direct Loan Entrance Counseling and Sub/Unsub Loan Master Promissory Note (MPN) will be listed and must be completed only if you accept any portion of your federal student loan offers.

- **"Student Financial Aid (SFA) Status":** View when your Free Application for Federal Student Aid (FAFSA) was received, estimated cost of attendance, expected family contribution, and financial aid need status. Read and understand Ohio State's Satisfactory Academic Progress policy, which provides policy details on the eligibility requirements to maintain future financial aid.

- **"Aid Summary":** View your financial aid award offer (may include scholarships, grants, and loans for the year and by academic term, i.e. Autumn 2023 and Spring 2024). Accept/decline loan offers. Print your Aid Summary, if desired. Parent PLUS loan eligibility may be available; apply at studentaid.gov.

Estimated Costs

Review the charts below to determine your estimated costs based on whether you are a freshman or a transfer student, an Ohio resident, or a non-Ohio resident, and whether you will live on or off campus. In these charts, "off campus" implies that you are a second-year student or a transfer student who plans to live off campus, not with a parent or guardian. Ohio State ATI has a one-year, on-campus living requirement for all incoming freshmen unless you currently reside within 25 miles. You must complete a housing exemption form if you meet the commuter requirement as a freshman.

2023-24 ACADEMIC YEAR

Incoming Freshmen, Ohio Resident	ESTIMATED COSTS	
Category	Living on campus	Living off campus
Tuition and Fees	$9,122	$9,122
Living Expenses: housing and food	$12,106	$10,232
Books and Supplies	$1,030	$1,030
Miscellaneous/Personal	$2,930	$4,186
Total Estimated Cost	**$25,188**	**$24,570**

Incoming Freshmen, Ohio Resident	ESTIMATED COSTS
Category	Living with parent or guardian
Tuition and Fees	$9,122
Living Expenses: housing and food	$4,464
Books and Supplies	$1,030
Miscellaneous/Personal	$6,820
Total Estimated Cost	**$21,436**

Incoming Freshmen, Non-Ohio Resident	ESTIMATED COSTS	
Category	Living on campus	Living off campus
Tuition and Fees	$34,570	$34,570
Living Expenses: housing and food	$12,106	$10,232
Books and Supplies	$1,030	$1,030
Miscellaneous/Personal	$3,778	$4,012
Total Estimated Cost	**$51,484**	**$49,844**

Transfer students: Visit sfa.osu.edu to view the Regional Campus/ATI cost of attendance chart based on when you first enrolled in college.

HELPFUL HINTS

All financial aid disburses equally between both autumn and spring semesters. The only exception is if an external scholarship denotes only one-semester disbursement or if an external scholarship or other aid is accepted/applied later in the academic year.

Financial aid will appear as "pending" on your Statement of Account until approximately 10 days before the start of the term, at which time it will be applied to the total charges and appear as an itemized payment.

Complete the Student Information Release to grant a parent/guardian access to contact Ohio State with any academic, financial aid, or statement of account questions and to grant federal Title IV permissions for financial aid to be applied to all charges. Log in to **buckeyelink.osu.edu** to complete these items.

If offered Federal Work Study (FWS) funds, you will have the option to accept them on your financial aid summary.
FWS funding is money that is earned by working for an employer on campus. Students will receive a paycheck for the time they work, which can be spent on anything they may need - food, gas, books, clothing, etc.

- 24 hours after accepting the funds, students can find available jobs at: **go.osu.edu/atiFWSjobs**
- Didn't receive FWS funding? Search for campus job opportunities at: **go.osu.edu/atistudentjobs**

For private loan options, explore Ohio State's FASTChoice tool: **choice.fastproducts.org/FastChoice/home/309000/1**. Private loans average three to four weeks to complete, so plan accordingly.

If your family's financial situation has changed drastically since you completed your FAFSA, you may be eligible to file an appeal. For more information, contact Liz Helterbrand, coordinator of student financial aid, at 330-287-1230 or helterbrand.5@osu.edu. You may also call Buckeye Link at 614-292-0300.

Did you receive one or more external scholarship checks? Way to go!

Please mail check(s) directly to:

Office of the University Bursar
External Scholarships
The Ohio State University
PO Box 183248
Columbus, OH 43218-3248

(Make sure your Ohio State ID# or Ohio State username (name.#) is included in the memo of the checks.)

Please refer to **ati.osu.edu/money-matters** or **sfa.osu.edu** for any additional financial aid information that you may need. You may also contact **Liz Helterbrand,** coordinator of student financial aid, at 330-287-1230 or **helterbrand.5@osu.edu**.

After Orientation

Once you've completed orientation, you'll have a few more things to consider before beginning your college career.

Preparing for Move-In

While your move-in date isn't until Aug. **19**, preparation begins now. As soon as your roommates are assigned (mid-July), contact them so you can begin planning who will bring which items. The Office of Student Life University Housing website (**housing.osu.edu**) provides detailed information regarding room size, furnishings, and acceptable appliances. View University Housing's checklist at **housing.osu.edu/living-on-campus/regional-campuses/ati-wooster-campus**.

Vaccination Requirements

(separate from Covid-19 vaccination requirement)

You must complete Ohio State's vaccination requirement(s) prior to the start of the semester in which the To-Do List (see Page 8) item is assigned. Failure to complete the applicable requirements may result in a hold placed on your student account, prohibiting your scheduling of classes and your access to grades/transcripts. Find information and documents on vaccination requirements at **shs.osu.edu/parents/vaccination-requirement**.

Tuition Option Payment Plan

Ohio State's Tuition Option Payment Plan allows students and their families to divide the cost of tuition, housing, and fees into four installments for autumn/spring semesters and three installments for summer term.

Important Dates

Tuesday, Aug. 15, 2023: tuition and fees due

Saturday, Aug. 19: move-in day*

*Date subject to change.

Tuesday, Aug. 22, 2023: first day of classes

Saturday-Monday, Aug. 19-21, 2023: Welcome Days

The first few days on campus will provide several opportunities to learn, engage, laugh, and create lasting memories as you begin or continue your college career. Watch your email for a complete schedule!

Majors and Specializations

CFAES Wooster Campus Associate of Applied Science (AAS) Degree Programs

If you are interested in getting started in your career right away, choose a CFAES Wooster campus Associate of Applied Science (AAS) degree program. These programs prepare students for middle management careers by combining general education courses with hands-on courses.

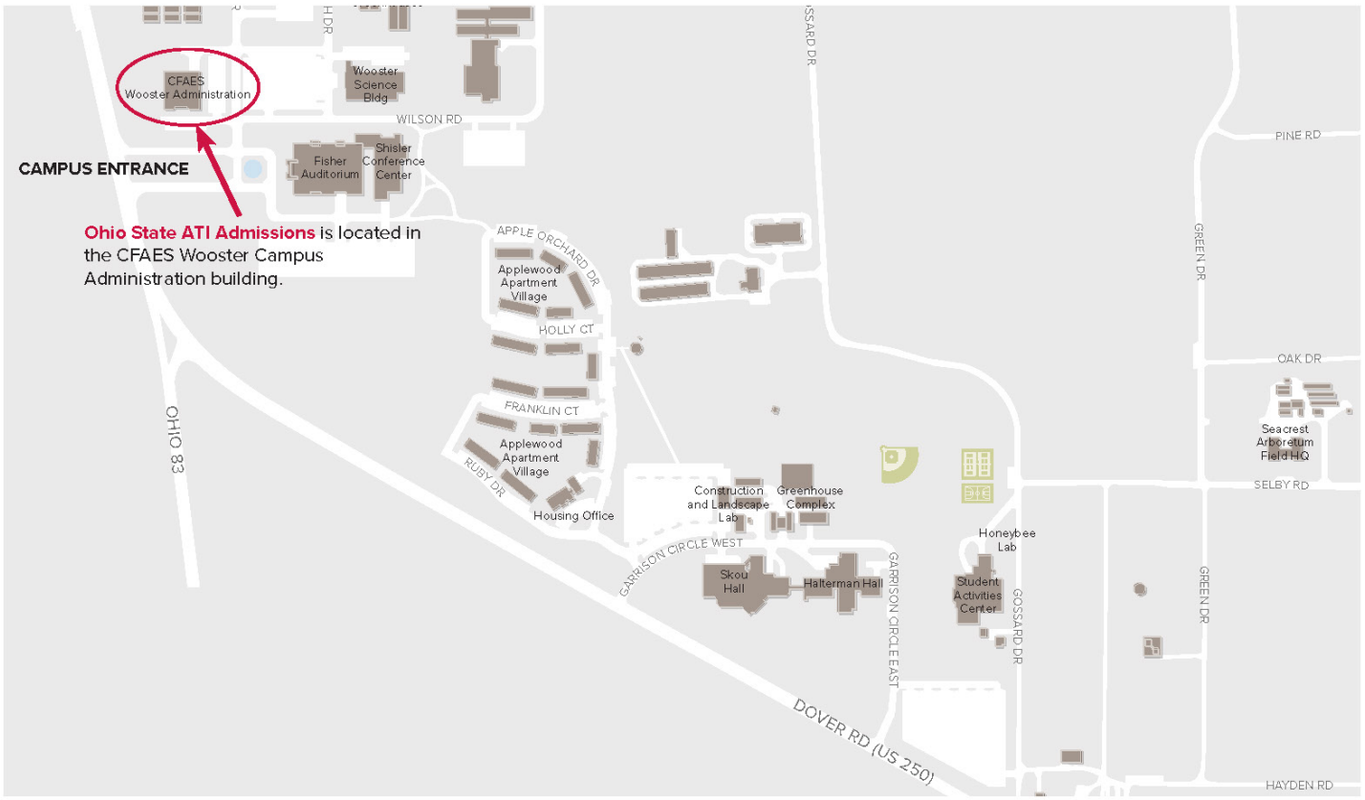
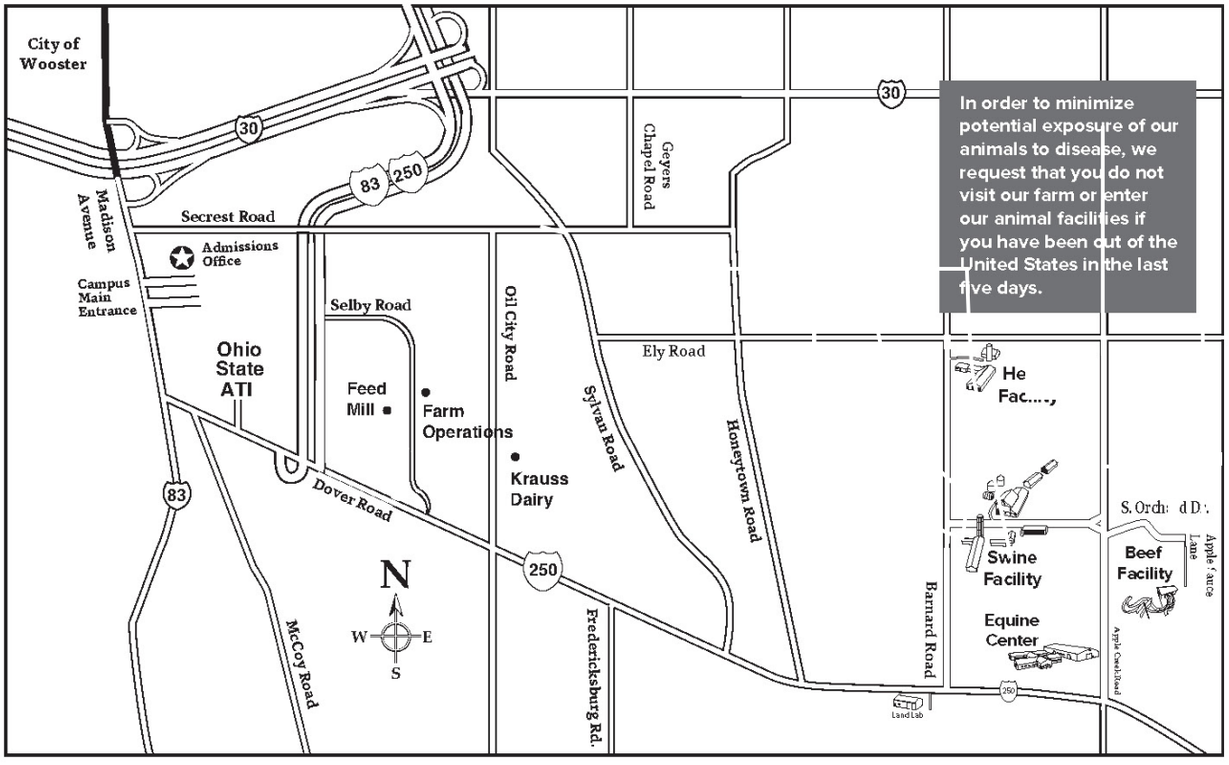
Ohio State ATI Campus Map



Outlying Facilities Map



Orientation will take place in Shisler Conference Center, 1680 Madison Ave., Wooster

Directions:

From the north:
Follow I-71 south, or St. Rt. 585 south, or St. Rt. 3 south to St. Rt. 83 south toward Wooster. Follow St. Rt. 83 until the freeway ends. At the stop sign at the end of the ramp, turn left. Proceed past the ATI campus, through the stoplight at the intersection of Rt. 83. Turn right into the campus entrance at the large brick sign (currently under construction). Turn left in front of the silver sculpture onto Payne Drive and then right onto Wilson Road. The conference center will be on the right. Parking is available across the street next to the science building or in the lot to the west of the conference center.

From the south:
Follow I-71 north or St. Rt. 3 north to U.S. 30 west to Wooster. Exit at Madison Ave. Turn left at the traffic light at the end of the exit ramp. Go up the hill and turn left into the campus entrance at the large brick sign (currently under construction). Turn left in front of the silver sculpture onto Payne Drive and then right onto Wilson Road. The conference center will be on the right. Parking is available across the street next to the science building or in the lot to the west of the conference center.

From I-77 north, follow I-77 north to U.S. 250 west toward Wooster. Near Wooster, do not turn right at the U.S. 250/St. Rt. 83 bypass, but continue straight ahead. Proceed past the ATI campus, through the stoplight at the intersection of Rt. 83. Turn right into the cam-pus entrance at the large brick sign (currently under construction). Turn left in front of the silver sculpture onto Payne Drive and then right onto Wilson Road. The conference center will be on the right. Parking is available across the street next to the science building or in the lot to the west of the conference center.

From the east:
Follow U.S. Route 30 west to Wooster. Exit at Madison Ave. Turn left at the traffic light at the end of the exit ramp. Go up the hill and turn left into the campus entrance at the large brick sign (currently under construction).. Turn left in front of the silver sculpture onto Payne Drive and then right onto Wilson Road. The conference center will be on the right. Parking is available across the street next to the science building or in the lot to the west of the conference center.

From the west:
Follow U.S. 30 east to Wooster. Exit at Madison Ave. Turn left at the traffic light at the end of the exit ramp.Go up the hill and turn left into the campus entrance at the large brick sign (currently under construction).. Turn left in front of the silver sculpture onto Payne Drive and tand then right onto Wilson Road. The conference center will be on the right. Parking is available across the street next to the science building or in the lot to the west of the conference center.

ROADMAP TO CLASSES

Registering for classes is the most anticipated part of the orientation process. However, there are a few stops along the road you need to complete before registering.

8. **Move in, attend welcome day events, and get your academic career started!**

7. **Register for classes.**

6. **Attend orientation and meet with faculty, staff, and current Buckeyes.**

5. **Select a time to meet virtually with an academic advisor to register for classes.**

4. **Complete placement tests, if required.**

3. **Submit transcripts from CCP classes or other universities you have attended.**

1. **Pay your $100 acceptance fee.**

2. **Register for orientation.**
