

Landscape Industry Certified Judge's Guidelines & Requirements

- Attend judges' orientation / training meeting (Wednesday 2pm-5pm)
- Follow testing procedures as presented for each station/problem
- Read safety statement
- Be Landscape Industry Certified or have appropriate industry experience
- Sign the Code of Conduct and Qualification Attestation documents
- Objectively observe and evaluate candidates
- Consciously avoid subjective judgments
- Strive to maintain consistency in judging across candidates
- Maintain confidentiality –
 - Do not discuss individual's performance with candidate or others
 - Do not discuss elements of the test problem
- Adhere to dress code –
 - Long pants
 - Sturdy work boots
 - Long or short sleeved shirt
 - NO LOGO APPAREL
- Landscape Industry Certified judges represent the industry, their association, and the certification . . . not their companies or employers
- You are judging the skills of individuals pursuing industry certification, not evaluating prospective employees (this is not a recruiting event).
