**Program 60**

Program 60 is a legislatively mandated program for Ohio residents who are at least 60 years of age. We in the Office of Continuing Education coordinate and administer the program for the Ohio State University ATI. The program offers members an opportunity to take advantage of the resources of the university.

Program 60 enables qualified individuals to attend courses **ON A SPACE AVAILABLE BASIS** subject to the approval of the instructor(s). Participants do not pay tuition; they will appear only on the Carmen roster and **not** on the class roster; and they **will not receive college credit**. Should you have any questions, do not hesitate to contact our office.
