Orientation Parent Survey - Autumn 2016

Dear new Buckeye parent,

We know that the first year of college can be challenging. We offer students a wide range of activities, events, services and resources designed to support them and help them make a strong start during their first year. We also offer programming that begins in the first year and continues to support them through succeeding years – to graduation!

Program Excel is one of our most successful student support programs. Program Excel is funded by a U.S. Department of Education, Trio Grant. We need your assistance to gather the information we are required collect in order to keep receiving this funding. Please take a few minutes to complete this survey. You can use the enclosed postage paid envelop to return your completed survey to us.

Sincerely,
Ruth Montz
Coordinator – Student Services
